

# DRAW ME CLOSE

Phillipians 3:8, Jerimiah 30:21, Psalm 23:14

**G**                      **C**                      **D**  
Draw me close to you

**D**                      **G**                      **D**  
Never let me go

**D**                      **C**                      **Emin**  
I lay it all down again

**Emin**                                      **C**                                      **G**  
To hear you say that I'm your friend

You are my de-sire  
No one else will do  
'cause nothing else could take your place  
to feel the warmth of your embrace  
help me find the way, to bring me back to you

## **CHORUS**

**G**                      **D**                      **C**  
you're all I want

**G**                      **D**                      **C**                      **D**  
you're all I've ever needed

**G**                      **D**                      **C**  
you're all I want

**C**                                      **D**                                      **G**  
help me know you are near
