

# GIVE ME A HEART

**G** **Emin**  
Open my eyes, Lord, I want to see Your plan for me

**C**  
To see the mission, with clearer vision

**G** **C**  
Press towards the mark, that waits for me.

**G** **Emin**  
Open my ears, Lord, all that You tell me I will do

**C**  
To know Your calling, run without falling

**G** **D**  
I've set my eyes on You

## CHORUS:

**G** **Amin**  
Give me a heart like Your heart, beating for the lost

**C** **G** **C**  
Give me a love like Your love, no matter what the cost

**G** **Amin**  
Give me a road to travel, a race that I can run

**C**  
Give me a heart like Your heart,

**C** **D** **G**  
to stand until You come, until You come.
