## HAPPY DAY

|   | <mark>G</mark><br>The great                               | test day             | in history                 |  |                        | CAP          | 02 (in A)          |
|---|---|----------------------|----------------------------|--|------------------------|--------------|--------------------|
|   | C Emin<br>Death is beaten, You have rescued me            |                      |                            |  |                        |              |                    |
|   | Emin<br>Sing it out                                       |                      | <b>C</b><br>Jesus is alive |  |                        |              |                    |
|   | The empt  | y cross,             | the empty gra              | Ve   |                        |              |                    |
|   | Life eternal You have won the day                         |                      |                            |  |                        |              |                    |
|   | Emin<br>Shout it out                                      |                      | <b>C</b><br>Jesus is alive |  | He's a                 | D<br>alive!  |                    |
| СН  | ORUS:   | <mark>G</mark><br>Oh | <b>C</b><br>happy day,     |  | <mark>min</mark><br>ay |              |                    |
|   | D<br>You washed my sin away                               |                      |                            |  |                        |              |                    |
|   |   | <mark>G</mark><br>Oh | <b>C</b><br>happy day,     |  | <b>min</b><br>ay       |              |                    |
|   |   | D<br>I'll nev        | er be the same             | G  | С                      | Emin         |                    |
|   |   | D<br>Foreve          | er I am change             | <b>G</b><br>d                                  | С                      | Emin         | D                  |
| When i stand in that place, Free at last, meeting face to face, I am Yours, Jesus You are mine. |   |                      |                            |  |                        |              | e to face,         |
|   | Endless joy, perfect peace,<br>Celebrate, Jesus is alive, |                      |                            | Earthly pain finally will cease<br>He's alive! |                        |              |                    |
| Bri   | dge:  | Emin<br>Ohh          | What a glori               | D<br>ous day                                   | Wha                    | it a gloriou | C<br>s way         |
|   | That You have saved me                                    |                      |                            |  |                        |              |                    |
|   | Emin<br>Ohh What a glori                                  |                      |                            | D<br>ous day                                   | Wha                    | it a gloriou | <b>C</b><br>s name |
