

# HERE I AM TO WORSHIP

**E**            **B**                            **F#min**  
Light of the world, You stepped down into darkness

**E**            **B**                            **A**  
Opened my eyes, let me, see.

**E**            **B**                            **F#min**  
Beauty that made this heart, adore You

**E**            **B**                            **A**  
Hope of a life, spent with You

## **CHORUS**

**E**  
Here I am to worship

**B**  
Here I am to bow down

**G#min**                            **A**  
Here I am to say that, You're my God

**E**  
You're all together lovely

**B**  
All together worthy

**G#min**                            **A**                            **E**  
All together won-der-ful to me.

King of all days, oh so highly exalted, Glorious in heaven above  
Humbly You came, to this earth You created,  
All for love's sake, became poor

**B**            **E**                            **A**  
And I'll never know, how much it cost

**B**            **E**                            **A**  
To see my sin, upon that cross
