

ONE DAY

G **G/A** **G/B** **G/C**
One day every knee will bow

G **G/A** **G/B** **G/C**
One day every tongue will confess

G **G/A** **G/B** **G/C**
That You are Lord over all

G **G/A** **G/B** **G/C**
That You are God over all

G **G/A** **G/B** **G/C**
You are Lord over all

G **G/A** **G/B** **G/C**
You are God over all

G **G/A** **G/B** **G/C**
But for now,

G **G/A** **G/B** **G/C**
I will sing

G **G/A** **G/B** **G/C**
A new song,

G **G/A** **G/B** **G/C**
To You
