

OUR GOD SAVES

D In the name of the Father, **D** in the name of the Son

G In the name of the Spirit, **G** Lord, we come

Bmin We're gathered to-gether **Bmin** to lift up Your Name

G To call on our Savior, **G** to fall on Your grace *repeat*

D Hear the joyful sound of our offering

Asus As Your saints bow down, as Your people sing

Bmin We will rise with You, lifted on Your wings

G And the world will see that

CHORUS: **D** Our God saves, **Asus** our God saves

Bmin There is hope **G** in Your name

D Mourning turns **Asus** to songs of praise

Bmin Our God saves, **G** our God saves
