

# POUR OUT MY HEART

**E** **B**  
Here I am, once a-gain

**C#min** **A**  
I pour out my heart For I know that you hear

**E** **B**  
Every cry, You are listening

**C#min** **A**  
No matter what state my heart is in

**E** **B**  
You are faithful to answer

**C#min** **A**  
With words that are true and a hope that is real

**E** **B**  
As I feel Your touch

**C#min** **A**  
You bring a freedom to all that's within

**A** **B**  
In the safety of this place I'm longing to....
