

ROCK OF AGES (CLEFT FOR ME)

A **D** **A** **A**
Rock of Ages, cleft for me,

E⁷ **A**
Let the water and the blood

E **A** **D** **A**
Be of sin the double cure;

Not the labors of my hands
Could my zeal no respite know,
All for sin could not atone;

A **D** **A**
Nothing in my hand I bring,
 E⁷ **A**
Naked, come to Thee for dress;

E **A** **D** **A**
Foul, I to the fountain fly;

While I draw this fleeting breath,
When I soar to worlds unknown,
Rock of Ages, cleft for me,

E **A**
Let me hide myself in Thee;

E⁷ **A**
From Thy wounded side which flowed,

F#min **E** **(D)** **A**
Save from wrath and make me pure.

Can fulfill Thy law's demands;
Could my tears forever flow,
Thou must save, and Thou alone.

A **E** **A**
Simply to the cross I cling;

E⁷ **A**
Helpless, look to Thee for grace;

F#min **E** **(D)** **A**
Wash me Savior, or I die.

When mine eyes shall close in death,
See Thee on Thy judgment throne,
Let me hide myself in Thee.
