

SACRIFICE

G God of Glory, God of Might **C** King of Heaven, Lord of Light
Amin **C** **G** **C** **G**
Though my ways are less than wise I come to praise You

G Jesus, Master, Savior, Friend **C** Your mercy seems to have no end
Amin **C** **G** **C** **G**
And all I have to bring is sin I come to praise You

Emin **C** **G** **C** **G**
And my righteousness, is as filthy rags
Emin **C** **Amin** **D**
But You exchange them for the good things that You have

(Lord I wanna sing)

CHORUS: **G** **G/B** **C**
I wanna sing you a song, I wanna lift up my voice
Amin **G**
As I raise my hands, Lord I make my choice
G **G/B** **C**
That from this moment on to the end of my days
Amin **C**
I want to offer up my life as a sacrifice of praise,
Amin **G**
As a sacrifice of praise

G **G/B**
I want to show You just how much I love You
Emin **C**
I want to love You with my life *(repeat)*
