

# THE LORD REIGNS

**G#min**    **F#**                    **E**    **B**  
The Lord reigns    let the people shout

**G#min**    **F#**            **E**            **B**  
He    reigns in righteousness

**G#min**    **F#**            **E**                                    **F#sus**    **F#**  
Let the    heavens be glad    let the earth rejoice

The Lord reigns    let the people clap their hands  
Angels shout            the redeemed have come to dance

**G#min**    **F#**            **E**                                    **F#sus**    **F#**  
To    celebrate            to celebrate He reigns!

**CHORUS**    **B**                                    **G#min**                                    **E**  
The Lord reigns    the Lord reigns    the Lord reigns  
**F#**                                    **B**  
We will sing and shout  
You reign    You reign    You reign    Forever King of all

**B**                    **F#**                                    **G#min**                                    **E**  
Let all the people sing of                    Your awesome power in all the earth

**B**                    **F#**                                    **E**  
Let darkness tremble at Your name

**B**                    **F#**                                    **G#min**                                    **E**  
Why do the nations rage when            the King is on His throne?

**B**                    **F#**                                    **E**  
Now and forever You will reign
