

# YOUR NAME IS ABOVE

**G**            **D**            **C**            **G**

Your Name is above, all names, oh God.

**G**            **D**            **C**

Your Name is above, all names.

**G**            **D**            **C**            **G**

Your Name is above, all names, oh God.

**G**            **D**            **C**

Your Name is above, all names.

**C**            **D**                            **Emin**            **C**

So we lift up your Name            receive glory and all praise.

**G**            **D**            **C**

Your name is above, all names.

Your love is above, all love, my God

Your love is above, all love.

Your love is above, all love, my God.

Your love is above, all love.

For the love that You give sets my soul free to live.

Your love is above, all love.

**A**            **E**            **D**

Your Name is above, all names....

**A**            **E**            **D**

Your Name is above, all names....

**A**            **E**            **D**

Your Name is above, all names....

**A**            **E**            **D**

Your name is above, all names....
